Important information and disclaimers

Factual information only, not financial product advice

The information and comparison results on this website are factual information of a general nature only. They do not take into account your objectives, financial situation or needs and are not intended to recommend, endorse or influence you to acquire, dispose of, hold or vary any financial product. Nothing on this website constitutes personal or general financial advice, an offer or an invitation.

Licensing status

InvestHAQ Pty Ltd does not hold an Australian financial services (AFS) licence and is not an authorised representative of an AFS licensee. InvestHAQ does not provide financial product advice, issue financial products or arrange for any person to acquire, dispose of or vary a financial product. Consider obtaining independent financial, legal and tax advice from appropriately qualified and authorised professionals before acting.

Comparison scope and methodology

The website may not compare every investment fund, provider, feature or option available in Australia. Comparisons and rankings are produced from the products and data included in our published methodology, using the stated criteria, assumptions and weightings. Results may not be suitable for your circumstances and are not a prediction of future performance. Inclusion, exclusion or ranking of a product is not an endorsement or recommendation.

Independence, payments and conflicts

InvestHAQ is not owned or controlled by, and is not affiliated with, any fund manager, superannuation trustee or credit provider, except where expressly disclosed. InvestHAQ may receive fees, commissions or other benefits from product issuers, providers or other commercial partners. No commercial payment or relationship permits a provider to alter the source data, methodology, criteria, weightings or comparison result.

Check current product information

Information can change and may be incomplete, delayed or inaccurate. Before making any decision, read the issuer's current product disclosure statement (PDS), target market determination (TMD) and other disclosure documents, and consider the product's fees, costs, risks, eligibility requirements and terms. Where information on this website differs from an issuer's current disclosure documents, the issuer's documents prevail.

Investment risk and liability

Past performance is not a reliable indicator of future performance. Investment values and returns may rise or fall, and you may lose some or all of the money invested. To the maximum extent permitted by law, InvestHAQ does not accept liability for loss arising from reliance on this website. Nothing in this disclaimer excludes, restricts or modifies any guarantee, right or remedy that cannot lawfully be excluded, restricted or modified, including under the Australian Consumer Law.
